Dear Ladies and Gentlemen,

Please be informed that, based on the most recent developments concerning the outbreak of the Corona COVID-19 virus, I have decided that the European Qualification Tournament in Moscow shall be postponed until at least mid-May.

Reason for this decision are the recent measures announced by the Russian government and the Moscow regional authorities to contain the outbreak of the virus. The restrictive measures announced for Italy, Germany, Spain and France make it impossible to give all athletes the same conditions to participate at the Olympic Qualification event. It is unknown which countries may be added to the aforementioned list or if other restrictions may follow now the World Health Organization labelled the virus as a pandemic.

Taekwondo Europe will monitor the developments and as soon as it is reasonable to take a decision on the location and time of the event, Taekwondo Europe will do so.

Yours,

Sakis Pragalos
President
